Enforcement and Programs were getting comments to Eileen (separately).
Sarah S and Randa drafted the enforcement comments, which I think can go to Eileen now.
(unless Sarah M has comments. Dan is out, I am OK with them)

Please see Jeff's message below. I was not aware that they had another meeting today. Do we have comments or feedback for them?

Thanks
Ed

Hey Ed-

Wondering if you have some feedback for us on the concepts of the settlement that we discussed earlier this week. We've got a meeting with the company this afternoon.

Thanks.
